OUR STORY

We started this company as a calling to help working moms. We wanted to provide quality, nutritious, and good tasting meals for those who, like us, were too tired at the end of the day to think about what to have for dinner and then try to get the meal put together. Then God blessed us with new avenues of service. Pharmaceutical reps began calling us to help with the meals that they provide for their clients. Thus our vision has expanded to what we now offer. Please look at our menu for specifics on what we are providing. Thank you very much for your business!

“Whether, then, you eat or drink or whatever you do, do all to the glory of God.”
